DISSENTING PROPOSALS OF ASSOCIATE MEMBERS

I

The proposed delimitation of constituencies has left many dis-satisfied. The dis-satisfaction is not so much due to delimitation as much as it is due to the enactment that necessitated the present allotment of seats. As a result of that the 3 broad classes, viz., the schedule tribes, the schedule castes and the general population could not get proper and proportionate representation in all the districts of Orissa. Had district been taken as the unit, then the representation would have been fair and proper. But the law stood on its way and hence a few of the anomalies of the nature indicated here below are noticed.

(a) In Koraput though the S.C. population is as high as 1,97,618 that classes has no representation, whereas Kalahandi district with a S.C. population of 1,79,340 have been given 2 seats.

(b) Similar is the case with the general population. The district of Koraput with a general population of 4 lakhs and 10 thousand, which ordinarily justifies allocation of 3 seats, was given only 2 seats. Similar is the case with Mayurbhanj.

Such disparities have very adversely hit the sentiments and interests of the people in certain districts. Hence Bissumcuttack with 16.50 per cent of S.C. population or Kodinga with 16.38 S.C. population should have been given a schedule caste representation. Hence I submit that necessary re-allocation of seats may be done in respect of certain districts to remove the disparities.

RAGHUNATH PATNAIK,
M.L.A.

II

1. Formerly the Constituencies of the Orissa Assembly had been numbered starting from Malkangiri in Koraput district which is the southern-most limit of the Orissa State. This procedure had been

followed in all the previous De-Limitations and the people at large are accustomed to this numbering. Now a radical change has been made in starting the numbering of the Constituencies—not from one extreme end of Orissa but from a Constituency right in the middle of the Orissa State, i.e., Karanjia. I suggest that the former procedure may kindly be continued.

2. The House of People Constituencies in Orissa cover an average population of 8,77,442 and cover large areas. We, as Members of the Parliament, understand how difficult it is to keep in contact with our Constituency and get to know the people and their problems. If boundaries of the Parliamentary Constituencies change in every De-Limitation then it becomes all the more difficult to nurse one's own constituency and at the same time prepare the field in other areas for the next election. Specially when the number of the Parliamentary Constituencies in Orissa have remained intact, there is hardly any case to change boundaries of the present Parliamentary Constituencies. In the present proposal Mayurbhanj, Balasore, Bhadrak, Jajpur and Keonjhar Parliamentary Constituencies have been radically changed. This was due to the objection raised by certain members as to the trifurcation of Mayurbhanj district into three Parliamentary Constituencies. When a district has got more than 7 Assembly Constituencies then after assigning one Parliamentary Seat to that district the rest of the Assembly seats are to be tagged to the adjoining Parliamentary Constituencies. What does it matter if a district is bifurcated or trifurcated? Have we been able to eliminate trifurcation so far as Sambalpur and Cuttack districts are concerned? So, why special consideration is being given to Mayurbhanj district? I suggest that the original De-limitation of Parliamentary Constituencies has been very scientific and Karanjia Assembly Constituency should form a part of the Keonjhar Parliamentary Constituency. After all, Karanjia is a tribal Assembly Constituency and it had been tagged to the adjoining Keonjhar Tribal Parliamentary Constituency since 1952. Both are adjoining areas and Karanjia is being connected with Keonjhar by an all weather communication as the National Highway No. 6 connecting Calcutta and Bombay passes through the Karanjia and Keonjhar towns. There is no justification in tagging the Sukinda General Assembly Constituency to a Tribal Parliamentary Constituency like Keonjhar. Further the Express Highway being built to connect Paradip Port to Sukinda Mines stops near the Mining area and does not extend to Keonjhar. Further, some portions of the Sukinda Assembly Constituency are on the other side of the Brahmani river, which is unbridged.

Taking into consideration all these factors, I strongly recommend that Karanjia Tribal Assembly Constituency should be tagged to Keonjhar Tribal Parliamentary Constituency and if it is conceded there will be no consequential change and the present De-Limitation will continue.

H. H. Maharaja P. K. Deo.—M.P.

III

I cannot but congratulate the Delimitation Commission, India, for their most accommodative and sympathetic proposals as regards the delimitations of the Assembly and Parliament constituencies of Orissa, broadly and specially for the assignment of the general Assembly constituencies to the Districts of Mayurbhanj, Koraput and Sundergarh. At

the same time it will be failing in my duties as the associate member of the Commission, if I do not express my opinions as regards certain proposed Assembly and Parliament constituencies, which no doubt will create great inconveniences to the people after those come into existence in future. So, I draw the attention of the Commission as well as the people in concern to give due considerations to the following dissenting points stated below.

Assembly Constituencies

1. Cuttack City—Cuttack the only city in the State should remain in tact as one Assembly constituency, though the population of the city exceeds little more than the maximum limit fixed for the Assembly constituencies in the Cuttack district.
2. Cuttack Sadar (S.C.)—Cuttack Sadar P.S. (excluding the Narajmathapur G.P.) will remain as one assembly constituency in Cuttack Sadar sub-division.
3. Binjharpur—Binjharpur assembly constituency in the Jajpur sub-division of Cuttack district will be kept as the general constituency and the existing Sukinda (S.C.) constituency should continue as the S.C. constituency.
4. Pattamundai—Pattamundai assembly constituency in the Kendrapara sub-division of Cuttack district as proposed by the Commission earlier should remain as the general constituency.

Parliament constituency

Morada assembly constituency of Mayurbhanj district should be included in the Balasore Parliament constituency instead of the Udala assembly constituency of Mayurbhanj district as the Morada constituency becomes more contiguous to Balasore Parliament constituency after inclusion of Nilgiri assembly constituency of Balasore district in Bhadrak Parliament constituency.
